

Photo Gallery

Keeping the industry informed and up-to-date

Photo Gallery, a special online section of wastenews.com, brings to life the excitement at industry-wide events. For advertisers, Photo Gallery presents another new and exciting marketing dimension that makes a lasting impression right alongside Waste News.

Featured on Wastenews.com

As Waste News covers important industry events, conferences and seminars, the online Photo Gallery, a feature on wastenews.com gives advertisers a unique opportunity for company, product or service sponsorships.

Photo Gallery is another one of the many popular ways Waste News keeps the industry informed and up-to-date capturing the visual excitement and spontaneity of industry events.

Because of its popularity among attendees, exhibitors and particularly among those who are unable to attend industry events, Photo Gallery is archived on wastenews.com for on-demand viewing –with unlimited visibility, it is one more reason why Photo Gallery is a great sponsorship opportunity.

A Picture Perfect Strategy

As you plan your strategy for your next tradeshow or industry event, remember to include Photo Gallery as part of your plan. To learn more about Photo Gallery sponsorships, contact your Waste News sales representative.

Conferences

An effective marketing tool for industry business events

Waste News custom events are another strategic component of our totally integrated marketing portfolio.

As the leading news source for businesses that generate and manage waste, Waste News looks for strategic opportunities to create targeted events that bring together key decision-makers from business, industry and government.

From roundtables to custom conferences Waste News organizes, manages and markets key events across the country. These premiere events are educational and provide unprecedented networking opportunities.

Interested in developing and sponsoring a custom conference, please contact your Waste News sales representative.
